

Biodegradable Cleaner **SOBO** Degreaser

4 X 5 Litre
 SKD\BD40010

BEFORE **AFTER**

25 litre
 SKD\BD40011

A general purpose heavy duty aqueous degreaser, designed to remove oils, greases and lapping slurry.

Ideal for the degreasing of engineering components, workshops, industrial floors and similar areas contaminated by heavy oil and grease.

- Heavy duty oil degreaser
- Biodegradeable
- Water rinsable

Key properties

- An aqueous blend of biodegradable surfactants that quickly lift and separate oil contamination from industrial components.

- Water rinseable to provide an oil free clean surface.

Approvals

Separator friendly: meets PR EN 858

Application

- Designed for use in either a contract wipe, dip, immersion, or spray on application.
- Allow a contact time of 2-3 minutes before rinsing surfaces with water.
- Recommended dilution rate: 4%
- Minimum dilution rate: 0.5%
- Dilutions below 10% are not classified as hazardous.

Safe handling and storage

- Store in original containers and avoid extremes for temperature.

- For guidance on handling and disposal see Safety Data Sheet

Technical data

Appearance	Pale yellow liquid
SG	1.08
pH	>11.5
VOC content	Negligible
Flash point	>93°C
BOD/COD 5 day	72%

Suitable for
• Indoor use
• Outdoor use
• Hire fleet
• Plant depot
• Professional use
